

Welcome Back!

We are incredibly pleased to be back and to be opening the doors. Understandably we have had to update a few of our systems so please find below the changes you may see when you visit us next.

- Bookings are recommended but walk ins are also welcome! Where possible please use our online booking system on our website for our most up to date availability. You are able to book a table for dining or just for drinks.
- You will be required to enter your card details, this is purely in the case of a 'no show' and no charges will incur unless you do not let us know that you need to change or cancel your reservation. This would be charged at £10 per head for a restaurant table or £10 per table for a bar table. If you need to cancel or change your bookings, please just give us a call on 01449 257120.
- When you arrive, please come to the entrance on the car park side of the premises. One of our lovely members of staff will meet you there shortly and seat you at your table. On exit, we ask that you leave through the front doors on to Old Street, and if you need to head back to the car park, take a left and a short walk round will lead you back to your vehicle.
- Once at your table, please stay seated wherever possible. We are offering table service only in all areas so let us do the hard work for you!
- Toilets are available inside, please support social distancing. One person per facility at one time.
- Our toilets are cleaned and sanitised regularly during the day - if anything is amiss please do let a member of staff aware.
- We are currently accepting card or contactless payments only. No cash please.
- Please support social distancing in all areas of the premises, take note of our one way system inside the building and be aware that we are not allowing more than six people at one table at any time.
- Sanitiser is available throughout the premises, please use when entering and exiting the building.
- Our team have been thoroughly trained and briefed on these new procedures but please be kind, these are new systems to us all and the safety of you and our staff is paramount. So if things take a little longer than they used to, please bear with us.
- If we can help with anything, please just ask! It is great to see you again and thank you for coming out to support us.
